RECORD ATTENDANCE
NEARLY 1,500 LIVE & VIRTUAL

THE 18TH ANNUAL CORPORATE COUNSEL WOMEN OF COLOR CAREER STRATEGIES CONFERENCE

We did it again! Corporate Counsel Women of Color (CCWC) and Hogan Lovell's hosted its record-setting, sold-out 18th Annual Corporate Counsel Career Strategies Conference at the Hyatt Regency Downtown Atlanta on October 5-8, 2022. All attendees were tested for COVID at the conference. We were able to keep everyone safe and COVID free!

Conference attendees experienced a well-curated agenda of multi-tracked sessions focused on the most innovative and market-influencing legal trends, topics, and career strategies. They were also engaged in substantive panel discussions to address the complexities in the legal industry, the workplace, and life. Additionally, discussions included important diversity, inclusion, and equity topics and breakout panels led by experts who touched all corners of the legal sector and had real implications for decision-makers worldwide. Topics covered many practice areas, both traditional (e.g., Litigation) and emerging (e.g., Privacy, Cybersecurity, Cryptocurrency).

General Counsel and their legal teams from corporations such as Apple, The Home Depot, Uber, Visa, Denny's, Mastercard, American Express, McDonalds, The Coca-Cola Company, ExxonMobil, JPMorgan Chase, Walmart, Nike, and the NFL enthusiastically attended the CCWC Annual Conference to learn from world and industry leaders, the bench, corporate and legal executives, law firm partners and legal experts who shared expert observations and provided insightful and informative takeaways.

Attendees also had the opportunity to hear from **Christina Swarns**, executive director of The Innocence Project, who received CCWC's Diamond Award, commemorating her career-long dedication to the cause of criminal justice reform. Other featured speakers included **Craig Robinson**, chief diversity officer of NBCUniversal, in a fireside chat; CEO and Hall of Fame undefeated boxing champion **Laila Ali**; TV host and founder of The Hatchett Firm, **Judge Glenda Hatchett**; Award-winning artist, actor and activist, **Common**; and Supermodel and CEO, **Beverly Johnson**.

From the Desk of

CEO and Founder
Corporate Counsel
Women of Color

We are further proud of our inaugural Health Fair in memory of our CCWC members who passed away, including Rhonda Ferguson and Kristi Matthews, leaving us much too soon. Over 20 women received mammograms, and over 100 attendees received screenings for A1C, cholesterol, and blood pressure. We hope to conduct our health fair on an annual basis.

In 2023, for the first time in its history, the Career Strategies Conference will be held during the same week as CCWC's two other flagship events – CCWC's Men of Color Conference and Women of Color Entrepreneurs Conference. Presenters include **Ben Crump** (Civil Rights Advocate), **Lisa Price** (Carol's Daughter), and **Lisa Sun** (Gravitas). We will honor **Tamika Tremaglio** (Executive Director, NBPA Foundation) with the Diamond Award of Excellence. Attendees from around the world will all convene at the Gaylord National Resort in National Harbor, MD, September 25-30, 2023. We look forward to seeing everyone as we convene near the nation's capital.

The diversity of ideas, perspectives, skills, knowledge and cultures helps our company address society's energy needs and power economies around the world. That's why we proudly support the 19th Annual Corporate Counsel Women of Color Conference.
